ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Poplar Bluff Housing Authority is a medium PHMAP High-Performer agency located in Poplar Bluff, Missouri. The PBHA manages 575 units of public housing at eight developments.

The mission of the PBHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The PBHA will accomplish its mission ideals through its goals and objectives:

1. Reduce public housing vacancies.
2. Improve public housing management: (PHAS score)
3. Renovate or modernize public housing units.

The PBHA's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The PBHA has assessed the housing needs of Poplar Bluff and surrounding Butler County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium agency. The PBHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The PBHA has determined that its housing strategy complies with the state of Missouri' Consolidated Plan.

The PBHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The PBHA has established a minimum rent of \$0.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The PBHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The PBHA has plans to demolish fourteen units in two family sites. The PBHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The PBHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The PBHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the PBHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of PBHA's Agency Plan to HUD on January 16, 2002

Because the PBHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

1. Operations and Management
2. Grievances Procedures
3. Designation of Public Housing
4. Conversion of Public Housing
5. Homeownership

HOUSING AUTHORITY OF THE CITY OF POPLAR BLUFF

DECONCENTRATION POLICY

MAY 1999

It is the policy of the Housing Authority of Poplar Bluff (PHA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the PHA is to house no less than 40% of its PHA inventory with families that have income at or below 30% of the area median income by public housing development.

The Housing Authority of the City of Poplar Bluff has eight developments. MO36P0113-001, 002, 003, 004, 005, 006, 007, & 008. Currently, over 50% of the residents living in the Housing Authority meet the 30% Median income Range.

MO36P0113-001 has four sites with a total of 180 units. 132 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equals 73%.

MO36P013-002 has one site with a total of 64 units. 34 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equals 53%.

MO36P013-003 has one site with a total of 52 units. 22 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equals 42%.

MO36P013-004 has one site with a total of 89 units. 45 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equal 50%.

MO36P013-005 has four sites with a total of 76 units. 46 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equal 59%.

MO36P013-006 has one site with a total of 54 units. 32 of these units are leased to residents meeting the 30% of Median Income Range. The percentage for the development equals 59%.

MO36P013-007 has seven sites with a total of 30 units. 22 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equal 73%.

MO36P013-008 has one site with a total of 30 units. 16 of these units are leased to residents meeting the 30% Median Income Range. The percentage for the development equals 53%.

The Housing Authority at this time has a problem with lack of applicants for the waiting list and applications are placed on waiting lists by date and time. As a result, the Housing Authority has no local preferences and most generally does not have a long waiting list.

Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of FY 2000 Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2002 application will continue that effort.

PHA has implemented local preferences to improve the living environment by deconcentration, promoting income mixing, and improving security throughout our developments.

In addition, we have recently renewed our designated housing plan for another two years.

The PHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA has implemented a Comment Service program which began January 1, 2001 that has been discussed with residents and each adult member of every household has been notified of their responsibilities and the policy has been Board approved.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2002.

Attachment I: PHA's Policy on Pet Ownership in Public Housing Family Developments

PET POLICY FOR FAMILY DEVELOPMENTS

7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).
8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: (1) no additional security deposit shall be required of the resident with whom the pet is visiting (unless the visit is in excess of 72 hours) and two (2) verified complaints shall be grounds for excluding the pet from further visits.
9. All required documents stated in this policy shall be in the Management Office prior to the pet being on the premises.

Registration shall consist of providing:

- a. Basic information about the pet (type, age, description, name, etc.)
- b. Proof of inoculation and licensing.

All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a resident of the community.
- d. Payment of a pet deposit of \$100.00 (to be paid in full) to defray the cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no additional pet deposit for pets other than dogs or cats. The pet deposit shall not preclude charges to a resident for repair of damages done on an ongoing basis by a pet. The resident is responsible for all damages caused by the pet and will reimburse the Authority for all costs it incurs in repairing such damages. This deposit is refundable if no damage is identified at the move-out inspection.
- e. Each resident who has a dog or cat for a pet must obtain Public Liability Insurance in the amount of \$100,000.00 to cover a claim if the pet does harm to another person. A certificate/rider is to be provided stating that the Housing Authority of the City of Poplar Bluff, 506 Hazel Street, Poplar Bluff, Missouri 63901, will be notified if the policy is cancelled. A copy of the insurance policy and certificate/rider must be presented to the Management Office prior to the pet being on the premises.
- f. If a resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after 24-hours have elapsed, the tenant hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall PHA incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure.

Implementation of Public Housing Resident Community Service Requirement

PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(1) Work Activity Opportunities

The Poplar Bluff Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).
2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

- e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

- f. The Poplar Bluff Housing Authority has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.
